

REACHING PAKISTAN

1 Peter 2:20 (KJV)

For what glory [is it], if, when ye be buffeted for your faults, ye shall take it patiently? but if, when ye do well, and suffer [for it], ye take it patiently, this [is] acceptable with God.

1 Peter 4:14 (KJV)

If ye be reproached for the name of Christ, happy [are ye]; for the spirit of glory and of God resteth upon you: on their part he is evil spoken of, but on your part he is glorified.

Praise the Lord for His grace and mercy on us. He is always kind and blessing us daily with His abundant mercies. We thank the Lord for your continual prayers and support and being a part of winning souls for Christ in the country of Pakistan.

We thank the Lord for helping us in Texas. We came here with very few scheduled meetings but after meeting the pastors here and their recommendations, we got more meetings. Many have already partnered with us and we are praying that the remaining churches who still have to make the decision will soon become part of this mission. We came here March 21st and God willing, we will leave on August 1st and cover other states rest of the year. God has been kind and giving us churches with scheduled meetings. Please keep our travelings and safety in your prayers. Delphia and kids are a blessing and kids do not give us hard time during our travels. We always try to enjoy our time together. We took the kids to different places here in Texas and our favorite one was Institute for Creation Research (ICR) in Dallas, TX. I enjoyed more than the kids. We thank all those churches who helped us with prophet's chambers. It was a great blessing and we pray that God continue to use them for His glory to bring lost souls to Christ.

I have been receiving some fake emails. Since now my information is out on the internet I have to expect that. People asking for our personal information in order to help us financially. People pretending to be Pakistani Muslims converted to Christianity and asking for help. Now I do not mind helping such people but when you are receiving communications through emails there is a need to look for some Red Flags. Working in a bank and a hotel gave me some experience in identifying such scams. In such emails personal testimony is missing, glorifying Jesus Christ and His word is missing, name of the person/ministry who reached out to you is missing and then the consistency in reaching out for help is missing. Now even if you do not include all this above and you pretend to be a person from Pakistan, then your English needs to be a Pakistani English and not perfect American English. I have more but these are just few points to look for to identify a scam/fake email. Ever since we decided to serve our Lord Jesus Christ in Pakistan, I expect these things to happen and not just this, I expect trials, troubles, persecution and much more because devil does not want us to witness to these lost souls the truth of biblical salvation. Here is the comfort that when we go through all this for Christ, it is acceptable with God and He is glorified. When you, soul winners go door knocking or pass out tracts or witness to the lost souls and ye be reproached for the name of Christ, be happy because He is glorified. Do not let these reproaches scare you or disappoint you. You continue to do right for the Lord. I was listening to a pastor and this is what he said, Devil knows how to make the lost people scared, but he has not figure out how to scare the saved born again Christians. It makes him go crazy when even in persecution we rejoice and glorify God.

Keep those in prayers who are going through persecution for His name sake all over the world. Please pray that God strengthens them and uses this persecution as a blessing to bring souls to Christ. Thank you all for being a part of this mission. Please pray for our deputation. Please pray that God raise up more labourers to reach out to the lost souls, here in the USA and all over the world.
