Praise the Lord for His grace and mercy on us. He is always kind and blessing us daily with His abundant mercies. We thank the Lord for your continual prayers and support and being a part of winning souls for Christ in the country of Pakistan.

It is not by our strength or might, it is by the grace of God that makes us able to preach the Gospel to the lost, our families, relatives, friends, coworker and the nations. It was the grace of God that helped us start preaching to some Pakistani families using Zoom meeting app and all we did was preach the Gospel and teach the true bible doctrines. We prayed for the families that God helps us give the increase to the seed that we sowed and watered for 2 years. These people still believe that because they are born in a Christian family, there is no need to become a born again Christian and many other vain philosophies. I was one of them and believed the same. But by the preaching of the Gospel, by believing in the death, burial and resurrection of our Lord Jesus Christ, my wife and I got saved.

2 ladies from our Zoom platform preaching, **Misbah** last month in May and **Rimsha** first week of June, came forward and made the profession of faith. By the preaching of the gospel, they realized that they are sinners and will spend eternity in hell if they do not accept Jesus as their personal Saviour. The grace of God saved them because they believed the Gospel. This is big and encouraging for us. Just like how bible worked in our lives, it is working the same way in the lives of these people..... **preaching to save them that believe.** We are going through Discipleship lessons with Misbah and Rimsha. Please keep them in your prayers. They have a heart and are willing to grow spiritually in the knowledge of our Lord Jesus Christ. Please pray for the rest of the group also in our Zoom meeting that are learning bible doctrines that they soon realize that they are saved by grace through faith and not by being born in a Christian family or baptized as an infant and please pray that God use us according to His will in the lives of not just among different Christian denominations but among Muslims and others also. Muslims hate the preaching of the Gospel, they persecute and kill God's people. I was persecuted and my wife's family was persecuted by Muslims in the past and I did not like that but that does not give me the right to keep the gospel and the truth away from them. God will require of me what He gave me. Am I faithful in what He gave me - The preaching of the Gospel to the lost.

God has been kind and giving us meetings and keeping us safe in our travels. We are still in Texas. June 2nd, Noah turned 1 year old. It was a blessing celebrating his 1st birthday. Kids enjoyed at the play place and of course the cake was delicious.

Please continue to pray for Pakistan. There is a huge political and economic instability which is giving rise to street crimes and corruption. Bomb blasts including suicide bombings in the public areas came back. It stopped for few years but now they are back.

Thank you all for being a part of this mission. Please pray for our deputation. Please pray that God raise up more labourers to reach out to the lost souls, here in the USA and all over the world.
