Dear Pastors and Church Families in Christ

Thank you for your faithful prayer and support. We would have liked to send out this update earlier. However, March was a very hard month for our family as Rachele had a miscarriage. She is recovering well, but it has been very difficult. Please pray for us, especially Rachele, that the LORD may give us His comfort and strength.

We would like to ask your prayers for our CH people in Zhuhai, China. In the last two months, they seem to be riding a roller coaster in coping with the Covid lock down policies. We are very grateful to God for allowing us to continue ministering to our people through the means of internet. Recently, our CH people had been inviting their friends and neighbors to come to our Sunday service. I have been teaching a series of Sunday school lessons on how to present the Gospel biblically. We study each lesson together which they then use to witness to their friends. Please pray for the CH people in Zhuhai, that God may use them to continue to win the lost to Christ. We constantly are missing our people and our home in Zhuhai, China. Currently, mainland China hasn't made any changes for their Visa policy for foreigners which means Rachele and Timotheus cannot enter mainland China. However, Hongkong has lifted up the travel restriction to foreigners from May the 1<sup>st</sup>. Our burden is still towards our CH people at Zhuhai China. At the same time, there is a Church at Hongkong without a pastor asking Caleb to help them. There is bridge across the bay connecting the city of Zhuhai and Hongkong and they are about 50 miles apart. Therefore, we are praying for God's guidance to see if we could go to Hongkong to minister there while we are waiting for mainland China to reopen. Could you please join us in prayer to ask the LORD to guide us according to his will in this matter?

Upon this point, we had been on the filed for six years. We are grateful for all the precious prayers and support from our Church families. As Covid restriction was lifted up in the States, we are seeking opportunity to report to our support Churches in the next couple of months. At the same time, we are working on the possibility to go to Hongkong and serve there for a period of time before mainland China reopens. So we would like to ask our support Churches to consider any opportunity for us to report to you. If you have specific dates that you would like us to come, please contact us by email or by phone 951-486-8378. We are looking forward to share how God had been working in the ministry among the Chinese people. Once the Lord opens the door for us to go back, we are predicting that future travel back to the States will not be as easy as before. Therefore, we would like to use this opportunity to visit you and be mutual-encouragement to you.

Prayer Requests:

- Rachele's health.
- Possibility of ministry in Hongkong
- The CH people at Zhuhai
- Travel for Church visiting.

In Christ

Caleb, Rachele, Jerusha, and Timotheus.
