

# REACHING PAKISTAN

**Joshua 24:15  
(KJV) .....but  
as for me and my  
house, we will  
serve the LORD.**

Praise the Lord for His grace and mercy on us. He is always kind and blessing us daily with His abundant mercies. We thank the Lord for your continual prayers and support and being a part of winning souls for Christ in the country of Pakistan.

I never knew that deputation is going to be a great blessing from the Lord to our family. I remember after God saved me and I learned sound bible doctrines, that I just wanted to quit my job here in USA, pack my stuff, leave for Pakistan with my family, start a full-time job in Pakistan and serve the Lord part time. BUT GOD... He had His own plans for me and wanted me and my family to serve Him full time in Pakistan. When we started our deputation I was nervous and immature in the field. I could preach/teach all day/night in Urdu language but preaching in English always made me nervous. But God is my witness, every bible believing church that we visited, my wife and I never stopped learning. God wanted us to go through the deputation process, meet faithful Christians and learn and grow in the ministry which helped us in many many ways. Every church we went to we learned from the pastors, their wives and faithful church members on how to grow and be strong in the Lord. We thank the Lord for their encouragement and prayers. Listening to their testimonies gives us hope that God has given us faithful saints who are always praying for us and we are praying for them. There will come times in our ministry where money is not going to help us but effectual fervent prayers of the righteous will. My wife is learning many things to grow in women and children ministry. Kids are enjoying the company of the church kids. Noah is getting bigger. He is 11 months now. Rachel and Amana are faithfully doing their homeschool and learning and memorizing bible verses. Makes me jealous. I wish I had the opportunity to grow up in a KJV bible believing church, learning holy scriptures and come to faith at young age rather than growing up among drugees and alcoholics and later become one. His grace saved me and now I am praying that all the years that I have wasted, He gives me double portion and use me and my family mightily according to His Will to serve Him in Pakistan and other places and all the things that He helped us to learn during our deputation, it becomes a blessing to others also.

Continue to pray for Pakistan. Current political and economic instability is giving rise to many evils. There are powers in this world that do not want stability in Pakistan.

A small Christian school was attacked by Muslims just because the children were singing psalms and spiritual songs louder. For few days Muslim neighbors threatened the staff to stop singing and when the school did not comply, Muslim mob came in the building with guns beat the staff and the kids. Principal went to the police and police did not do anything to bring justice. Fear among poor Christian families is great. Majority of them are uneducated and cannot read the bible from where they can get hope in trials and troubles. Please pray that God helps them and give them strength and help our ministry to reach out to them with the comfort of scriptures so that they might have hope.
