World Missions AT Solid Rock

*The Lord is...not willing that any should perish,
but that all should come to repentance.*

—II PETER 3:9

**God wants everyone to hear the Gospel.
The Lord wants everyone to be saved!**

Solid Rock Baptist Church must take very seriously our responsibility to help spread the Gospel in the United States and the world.

Our local communities must hear the Gospel from our members. We must also pray for and financially support home missionaries and missionaries to foreign countries. As a church family, we want to increase our efforts to help the whole world hear the great and wonderful news that, "Jesus Saves!"

THE TIME IS SHORT. We are responsible for this generation. Please pray and ask God to help you have part in being a witness for Christ and to do your part in supporting our missionaries through prayer and finances.

God bless you for your efforts!

The great commission is not an option to be considered; it is a command to be obeyed.

The Alvarez FAMILY

The Alvarez family has been serving faithfully in Belize for 15 years. They started Amazing Grace Baptist Church in the garage of their rented home. God has since blessed them with an acre of property where they were able to build a 150 seat auditorium, as well as Sunday school classrooms.

In addition to the church's bus ministry, school lunch program, village outreach, and missions conferences, they are currently preparing to start a Bible Institute to train leaders in local churches.

The Briley FAMILY

John & Beth

Levi, Judah, Benjamin

The Briley Family is excited about the new ministry God is calling them to start in South America. Both John and Beth grew up on the field as missionary kids; John in Costa Rica and Beth in Uruguay. After being saved as teenagers, they desired to serve the Lord in full-time ministry. They remained connected to the people of Uruguay, even laboring alongside Beth's parents who are still serving in the country. They believe the Lord is leading them to help spread the Gospel in Uruguay.

The Stensaas FAMILY

The Stensaas family began serving in Uganda in February of 1996. In 1998, they were able to start Musaka Baptist College. Over their 28 years there, they have started over 30 churches.

Through their Tri-Annual Bible Institute, village training, and partnership with local pastors, their burden is legacy — spiritual fruit remaining for generations to come. In addition to training, they help churches with building programs.

The Walker FAMILY

Tyrone grew up in Chicago deeply involved with crime, drugs, and gangs. He was saved in the Ramsey County Jail on his way to prison, as a result of Samantha sharing the Gospel with him. He was released from prison as a new man and began attending and serving in church. Tyrone and Samantha prayed for 10 years to go into full-time evangelism before God opened the door. After visiting Trenton for a gospel crusade, they grew a desire and burden to see the people of Trenton saved. They began serving in Trenton full-time in July.
