

Andrew's Birthday Month (25th)

Saludos Pastores, Membros de la Iglesia, Familia, y Amigos,

Sept 2022

### ***We have arrived in Spain!!!***

All the paperwork is done, all the visas are in hand, all our belongings are now packed up. Super exciting times. We are currently staying at a missionaries home, they are currently on furlough, we are looking for a home of our own. We have many calls in and ask that you pray for this need!

We began August by celebrating Sarah's Birthday. We drove up to Missouri and spent the day with her. The very next week Brenda worked at our church's preschool all week to help with in-service week at the school. We had many doctors visits and follow ups during this time. Checkups, cleanings, teeth work, shoulder work, and many others. Just tried to get everything done before we left.

Brenda attended some events with her Adult Bible study class. She is going to miss spending time with those ladies! They were a huge blessing to her and to our family.

We made a trip up to Paragould and spent the day with my sisters and family. I am blessed to have wonderful siblings. Special thanks to my Cousin Jereme and my Uncle Cecil and his wife, Lois for being there for us. It was a great time of relaxation and fishing!

Our last Sunday morning at our church was bittersweet. We rode the bus we have been helping on and the Lord blessed us with 44 people on the bus, with 11 visitors!! God blessed the hard work and effort that had been put in to see more people on the bus. Please pray for Bro Caleb Shelby as he continues growing that bus route. We miss the kids and the people!

Our last week before flying out was crazy. Passports came in on that Thursday before we flew out on Saturday. Last minute shipping all came in. Home improvement projects were almost finished at the missions house. Nathan, Sarah, Jereme and Cynthia all came over the Friday and helped get many things completed. They drove with us to the airport on Sat Sept 10 at 4am. We flew out to Miami and after an 8 hr layover we boarded our plane to Madrid!! We landed at 8:40 am the following day and stepped off the plane into Madrid on Sept 11, 2022.

God has provided so many things for us that it cannot be contained in one letter. He is faithful and merciful, we don't deserve the privilege to serve such a wonderful Father, Lord, and Saviour!

**Prayers:** We are in the process of looking for a home, We have appts to finish our paperwork here in Spain, looking for a good language school, for the rest of home to ship safely once we have an address, Our family in the states, Brenda's Dad for salvation.

**Blessings:** All of the shipping money that came in was exactly the amount needed to ship all our goods. We found a shipping company that works with missionaries!! Praise God!

Saludos cordiales de tus misioneros en España, The Writesel Family

***“When therefore I have performed this, and have sealed to them this fruit, I will come by you into Spain. And I am sure that, when I come unto you, I shall come in the fulness of the blessing of the gospel of Christ. Now I beseech you, brethren, for the Lord Jesus Christ's sake, and for the love of the Spirit, that ye strive together with me in your prayers to God for me;” (Romans 15:28-30)***
