

REACHING PAKISTAN

Matthew 9:36-38

(KJV)

36 But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd. 37 Then saith he unto his disciples, The harvest truly [is] plenteous, but the labourers [are] few; 38 Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.

Praise the Lord for His grace and mercy on us. He is always kind and blessing us daily.

It is good to be back in New Jersey, our home church, friends and family after almost 5 months. It was a wonderful experience meeting faithful Christians in different states who are praying for us. We gave the report to our home church. Shared with them why it is important to be a faithful witness for our Lord Jesus Christ because no matter where you go, Jesus was right when He said.... Harvest truly is plenteous, but the labourers are few..... We need labourers out there for Christ who have compassion on the lost souls in their hearts and are willing to show them the truth and point them to Jesus.

Just few days ago, God gave my wife an opportunity to share the Gospel with her Muslim friend in Pakistan. Her friend is married for a long time but is childless and living a life of depression because of the things people say to her. Life can get tough in this situation especially in Pakistan. Her friend noticed through social media that my wife became religious and is sharing bible verses on her page. So she was curious to know why this change. My wife took the advantage and shared the Gospel and why she gave her life to Jesus Christ. Her friend listened and at the end she said to my wife that the things that you shared with me if my husband heard them, he would get really angry but I am searching for peace and truth. She said that even though she offers her prayers, she still does not have peace in her heart. My wife told her that whenever she needed, she is always here to help her with finding peace and truth from the bible. Her friend asked my wife to pray for her and she will stay in touch.

I cannot write the names due to security reasons but please pray for my wife that God gives her wisdom to share the truth with her friend and pray that God gives her friend a heart to listen more and leads her to Christ. In John 17:17 Jesus said ...Thy word is truth. We have the truth. We have the bible. Are we willing to share the truth with the lost, with the people who hate us, who are ready to persecute us, who desire to kill us for preaching the truth. Do we have compassion in our hearts for these souls who do not know Jesus? These are the questions we need to ask ourselves daily and ask God to help us overcome our fears because He has not given us the spirit of fear, but of power, and of love and of a sound mind.

Continue to pray for our Zoom meeting. People are learning great truths from the bible every week and some of them are realizing now that there is a great need of preaching the gospel in their Jerusalem among their families, friends and neighborhood. It is hard but please pray that God gives them wisdom to reach out to the lost souls.

Please continue to pray for Pakistan. The floods this year killed around 1000 people and the destruction was great. People whose houses were destroyed in the flood are now living in tents and some under open skies. Reports are that now their children are being kidnapped.

Thank you all for being a part of this mission. Please pray for our deputation. Please pray that God raise up more labourers to reach out to the lost souls, here in the USA and all over the world.
